

Bainbridge College, Georgia Southwestern Ink Agreement For Bachelor's of Science in Nursing

In a brief ceremony Bainbridge College President Tom Wilkerson and Georgia Southwestern State University President Kendall Blanchard broadened options for students who want to earn a bachelor's degree in nursing. Seen here (left-right) are Dr. Wilkerson, BC Nursing Division Chair Sheree Dickenson, GSWSU Nursing School Dean Dr. Sandra Daniel, and Dr. Blanchard.

Officials and faculty from both schools attended the April 5, 2010, ceremony in the Edward D. Mobley Administration Building.

The agreement enhances educational opportunities of BC Nursing Division students. "Students will be able to take courses online and do their clinical work locally," said Vice President of Academic Affairs Mariam Dittmann. "This is a wonderful opportunity for our students."
