EVERYBODY PITCHES IN! Student Government representatives Felicia Emanuel (left) and Donnella Williams (second from right) help unpack boxes with Dean of Student Affairs Dr. Patricia Green-Powell (second from left) and secretary Jerrie Perry (right).

Campus Offices Move to Student Center

The last week of November saw the plant crew working extra hard to pack and transport two campus offices to their new home in the recently remodeled south end of the Student Center.

The Dean of Student Affairs office in the Administration Building and the PREP Office in the Oak Center will now reside in what used to be the kitchen area of Building 300.

"We hope the move will allow us to interact more with the students and give them a chance to get to know who we are and what we can do to help them with their educational needs," commented Dean of Student Affairs Dr. Patricia Green-

Powell.

Upon entering the newly renovated area behind the Student Center, visitors are greeted in the lobby area by Dean of Student Affairs' secretary Jerrie Perry. As you continue to the hallway, Dr. Green-Powell's office is located on the left and PREP Institutional Coordinator Joy Burrell's office is on the right near the storage room. Adjacent to the offices are a new dining area and the new SGA offices.

*Have a Safe and
Happy New Year!
See you in 2001...*

Special thanks to everybody who helped make the November Russian Scholars Tour a success!

BC Donates Food for the Holidays

Bainbridge College Skilled Trades Worker Stephen Steere helps load donations in a truck for the Bainbridge College Hunger Awareness Project. Students, staff, and faculty placed non-perishable food items in collection boxes located in each building on campus for one month with the food going to the Salvation Army for distribution to needy families for the holidays. Early estimates label the weight of the total donations from BC at nearly one ton. The food drive was sponsored by the Phi Theta Kappa and Alpha Beta Gamma honor societies.

Thanks to everyone who helped with the seventh grade campus tours for the PREP program.
