

Commercial Driver's License Skills Test

Drivers who have obtained a learner's permit from the Department of Driver Services may take the CDL Skills test. Upon passing the test, the scores may be submitted to DDS for receipt of the CDL license. The test includes Pre-Trip Inspection, a backing test, and a road test. Driver must furnish his/her own truck. Stanley Williams is the state certified examiner.

Call 229-248-2516 to schedule an appointment. The test is administered on Saturdays only.
