

## Admission Standards for Associate in Science in Nursing Degree

Minimum admission standards for the program include:

1. Complete the application process for admission to Bainbridge College
2. Successfully complete all degree level required developmental courses, and courses that are prerequisites with a minimum 2.5 grade point average (GPA).

- A student will not be eligible to enter the BC ADN program if they have failed a core class twice within the last 3 years
- A student who has failed two or more nursing courses in any nursing program within the last 5 years will NOT be eligible for admission to the ADN program

3. **Students must have completed the following core classes with a C or higher prior to applying to the ADN Program:**

BIOL 2111 – Human Anatomy & Physiology I

ENG 1101 English Composition I

CSCI 1000 – Computer Fundamentals

PSYC 1100 – Introduction to Psychology **OR**

PSYC 2103 – Psychology of Human Development

- Students may take the following classes in conjunction with the ADN Nursing Program:**

BIOL 2112 – Human Anatomy & Physiology II

BIOL 2115 – General Microbiology

ENGL 1102 – English Composition II

COMM 1100 – Human Communication

HIST 2111 – United States History I **OR**

HIST 2112 – United States History

POLS 1101 – American Government

*Note: Human Anatomy and Physiology and Microbiology courses must have been taken within five (5) years of ADN program entry date with a minimum of C for each course.*

4. Pass all parts of the Regents' Exam or meet the exemption criteria before entry into the ADN program..

5. **Take the TEAS nursing entrance examination with satisfactory scores. The following scores must be achieved to meet criteria for possible admission and are part of the competitive admissions process:**

Reading – 65

English – 65

Math – 60

Science – 60

*A study guide for TEAS is available on reserve in the Bainbridge College Library. For details, contact BC Testing Center at 229-248-2579 or Early County Site at 229-724-2100.*

6. Complete the Application for the Associate in Science in Nursing Degree program, available at [www.bainbridge.edu](http://www.bainbridge.edu) or the ADN office. **Any student who provides false information on the Nursing Program application will be excluded from admission or if accepted into the ADN program will be terminated.**

7. Participate in an interview on Main Campus.
8. Complete all requirements within specified time frame upon acceptance to the program

**Note: All core classes must be completed prior to entering the final semester, NURS 2050, Advanced Nursing Concepts**

**The ADN nursing program is both a challenging and rewarding educational experience. and requires time and dedication. Therefore, it is recommended that the student complete all core classes or a majority prior to beginning the ADN program.**

**Summer 2009 grades will be counted  
towards  
the fall 2009 ADN admission process.**
