The registrant or owner of the vehicle is responsible for all citations issued against that vehicle whether or not the owner/registrator committed the violation. It is impossible to determine whether or not a ticket was on the vehicle when the driver returned. A presumption, therefore, will govern the case: A TICKET PLACED ON A VEHICLE IS PRESENT WHEN THE DRIVER RETURNS.

The fact that illegal parking may have been brief does not serve as an excuse or as a special circumstance.

Failure to answer promptly regarding a citation may result in one or more of the following:

- Withholding of Academic Transcripts
- Withholding of Grade/Diploma
- Registration for new term will not be allowed while holding outstanding citation(s).
