Your FAFSA application has been selected for a process called “Verification”. In this process, we will be comparing information from your application with you and your parents’ 2015 federal tax and household information that is requested on the verification form. During this process if there is conflicting data, additional documentation will be required to obtain an accurate calculation.

PLEASE READ AND FOLLOW THESE INSTRUCTIONS TO COMPLETE THE ATTACHED VERIFICATION FORM. Failure to answer each question will delay the process of your application and may result in loss of institutional funding.

SECTION A – Household Family Information

If your biological parents are married to each other, provide information about them. If your biological parents are divorced (or widowed) provide information about the parent/step-parent you lived with more during the past 12 months. If you did not live with one parent more than the other, give information about the parent/step-parent that provided more financial support during the last 12 months. You cannot use information from guardians, grandparents or anyone else you may have lived with. You must use biological/step/adopted parent’s information only. Again, dependent students must include income and other information about both of the student’s legal parents (biological, or adoptive) if the parents are living together regardless of the parents’ marital status or gender.

Financial aid administrators (FAA’s) must have a fundamental understanding of relevant tax issues that can considerably affect the need analysis. Because conflicting data often involves such information, FAA’s are obligated to know: whether a person was required to file a tax return, what the correct filing status for a person should be, and that an individual cannot be claimed as an exemption by more than one person or claim a person that they have not supported. For example, a FAA noticing that a Dependent student’s married parents have filed as “head of household” (which offers a greater tax deduction than filing as single or married) might question whether that is the correct filing status. Visit www.irs.gov for Publication 17 (2015) of the IRS, Your Federal Income Tax, describes in part 1, section 2, the requirements that a person must meet to file as head of household. “AN AMENDED TAX RETURN MAY BE REQUIRED BEFORE YOU CAN BE AWARDED AID”

Who will be in college?
Write in the name of the college for any family member listed in household size (excluding parents) who will be attending college at least half-time (6 hours per semester or quarter) between July 1, 2016 and June 30, 2017 and will be enrolled in a degree seeking undergraduate program.

SECTION B – Supplemental Nutrition Assistance Program (SNAP – Food Stamps)

Please check statement that applies to you (and/or your parents).

SECTION C – Child Support

Either I, or a parent who is listed in Section B of this worksheet, paid child support in 2015.
